

Commercial Paint Prep Technician

Fouts Bros is a family-owned business since 1952 with facilities in Georgia and Texas. Fouts Bros is proud to have become one of the largest and most diverse commercial truck manufacturers in the US. Fouts Bros is committed to developing new commercial vehicles that provide industry-best value, quality, and dependability.

Our company's core values are quality, efficiency, continuous improvement, safety, and teamwork. We believe in conducting business with honesty and transparency, continuously seeking new ways to improve and evolve, fostering relationships with our community and supporting local initiatives, and operating in an environmentally responsible manner to minimize our impact on the planet.

Job Summary:

Perform general labor such as moving, washing, and cleaning parts. Workers may also assist with preparing parts for painting such as sanding and taping. They use basic hand tools and must maintain a clean and safe environment.

Key Responsibilities:

- Perform general labor tasks such as moving, washing, and cleaning parts.
- Assist with preparing parts for painting by sanding and taping.
- Use basic hand tools as needed.
- Maintain a clean and safe work environment
- Follow all safety protocols and procedures to ensure a safe working environment
- Assist with other tasks as needed to support the painting process

Required Competencies:

- Prior experience in a manufacturing or production environment
- Knowledge of painting processes and techniques
- Basic knowledge of safety protocols and procedures
- Good ethical judgment.
- Has strong ability to generate ideas, show creativity and provide solutions.
- Must have exceptional productivity skills. Can be relied on to get the job done accurately and on time.

Commercial Paint Prep Technician

Physical Requirements and Working Conditions

- Tasks require the regular and sustained performance of moderately physically demanding work.
- Some combination of climbing and balancing to include climbing ladders, stooping, kneeling, crouching, and crawling.
- May involve the lifting, carrying, pushing, and/or pulling of moderately heavy objects and materials (20-50 pounds).

Environmental Exposures

Performance of essential functions may require exposure to adverse environmental conditions, such as odors, fumes, temperature and noise extremes, hazardous materials, toxic agents, machinery, heavy equipment, vibrations, or traffic hazards.
