To work on a job with an interesting position where I can advance within the company. Most of my experiences comes from working in food services but I am interested in advancing in other areas in the workforce. My contribution to the company will be my dedication to continue making the company a success.

I have 17 years of experience, including as a Line Cook, as a Cook and as a Concrete Finisher in industries including

Eating and Drinking Places, Electronic and Other Electrical Equipment and Components, Except Computer Equipment and Automotive Dealers and Gasoline Service Stations. Most recently, I have been working as a Line Cook at Chillis from

July 2015 to August 2018. My skills and experiences include: Cooking, Materials Management. I hold a Balwin high degree in Engineering (Any Specialty) from high School.

Willing to relocate: Anywhere
