## Maintenance Man

271 Paul Drive, Milledgeville, GA, United States, 31061 | 4043160472 | Ajsk29252@gmail.com

As a young man who started early, I have a beautiful wife and two cherished children. Since youth I was taught the value of honest work for honest pay, and the quality of a man based on his character. Starting in construction at 16, I gained great experience in working with my hands, after that was costumer service for two years to teach me patience and kindness in tough environments. After that was a career change in Automotive Mechanics. From there I transitioned slightly into the parts warehouse and became a specialist in my field. Most recently I have shown a knack for Apartment Maintenance, and investing into my community. I have always been a jack of all trades and hope to turn your trade into my !

## Professional Experience

**Mid America Apartments** July 2023 - Present

### Maintenance Man

Having a wide variety of tasks to preform, my abilities and responsibilities included the maintenance of one to three bedroom apartments. Plumbing, electrical, and mild carpentry work was among these responsibilities.

**Meyers Auto Salvage** September 2022 - July 2023

### Inventory Specialist

I preformed inventory management for a Salvage Yard, assessing wrecked vehicles for damage and what could be stripped and sold.

**Yancey Brothers** May 2021 - September 2022

### Inventory Specialist

Began work as a diesel mechanic but do to the lack of labor was moved to the inventory warehouse where I excelled and became a pivotal part of organization there.

**CMF MOTORSPORTS** August 2020 - May 2021

### Mechanic

Apprenticed as a general mechanic and learned all the tricks of the trade that I could under great leadership. Anything from oil changes to head jobs, timing covers to engine swaps. I was your man.

**Kroger Co.** August 2018 - August 2020

### E-Commerce Clerk

Started in produce and worked my way up through the ranks to become a picker for our e-commerce division. I proved myself through hard work and made many friends.

**W&T Collins Residential Construction** March 2016 - August 2018

### Job Hand

First job I ever had. I proved myself as a hard worker and sweat my tail off. But learned the satisfaction of a job well done. I toted sheets of plywood and learned from master of trades like Electrical, Plumbing, and Carpentry.

## Education

High School August 2015 - May 2019

Georgia Connections Academy, Bremen, GA

High School that was online. Home schooling provided me a better education than most by providing one on one tutoring with my teachers.

## Key Skills

Carpentry		Electrical	
Plumbing		General Maintenance	
Mechanical		Troubleshooting	
Critical Thinking		Heavy Lifting	
Teamwork		Waste Management	
Arithmetic		Dedication	
Perseverance		Patience	

## References

**Marvin Burns** August 2006 - September 2023

Family Friend

As a close family friend, Mr. Burns has known more of me than most. Being my father's close friend since their youth, he knows my history and character well.

**Arleff Robert Chipps** August 2006 - September 2023

Church member

Mr. Chipps was my adopted grandpa and coached me on how to be a good Christian man. His wife Evelyn was just as influential in my life as she taught me what I sought in a supportive wife. We knew them from the same church that we attended with Mr. Burns.

**Katherine Sayer** May 2020 - December 2023

Grandmother-in-Law

My wife's grandmother, she has known me at my worst and my best, and has counseled me through some mighty mountains in my wife' and my young marriage.
