Automotive/Diesel; Industrial Technician

I am a highly motivated individual with a proven ability to learn quickly, create, implement, and maintain procedures both old and new in any environment. I further possess the ability to meet heavy work assignments and deadlines under strict time constraints. In addition to my strong commitment and desire to succeed in every assigned task, I am able to work independently or as a team, with a unique ability to communicate effectively on all levels.

-Authorized to work in the US for any employer
